

Muhammad Naveed

OBJECTIVE

An opportunity to work and upgrade oneself, as well as being involved in an organization that believes in gaining a competitive edge and giving back to the community. I'm presently expanding my solid experience in UI / UX design. I focus on using my interpersonal skills to build good user experience and create a strong interest in my employers. I hope to develop skills in motion design and my knowledge of the Web, and become an honest asset to the business. As an individual, I'm self-confident you'll find me creative, funny and naturally passionate. I'm a forward thinker, which others may find inspiring when working as a team.
